What is AFPAAS?

Air Force Personnel Accountability and Assessment System (AFPAAS) standardizes a method for the Air Force to account, assess, manage, and monitor the recovery and reconstitution process for personnel and their families affected and/or scattered by a wide-spread catastrophic event. AFPAAS provides valuable information to all levels of the Air Force chain of command, allowing commanders to make strategic decisions which facilitate a return to stability.

AFPAAS allows Air Force Personnel to do the following:

- **Report Accounting Status**
- **Update Contact/Location Information**
- **Complete Needs Assessment**
- **View Reference Information**
