Acura

Manufacturer Safety-related recall issued

- NHTSA #20V-027
- Recall #H6S Multi-Model NADI Airbag Inflator
- Safety Recall
- Status: Remedy Available

Locate an authorized [Acura dealer](#) near you to obtain more information about this recall

- [Learn more about this recall](#)

Description: American Honda Motor Co., Inc. (Acura) is recalling certain model year 2001-2002 3.2CL, 2000-2003 3.5RL, 2000-2001 3.2TL, and 2001-2002 MDX vehicles. These vehicles may have received a replacement driver frontal airbag module as part of a vehicle repair. Due to a manufacturing issue, the replacement NADI inflator may absorb moisture, causing the inflator to rupture or the airbag cushion to underinflate.

In the event of a crash necessitating airbag deployment, an inflator rupture may result in metal fragments striking the driver or other occupants. An underinflated airbag cushion may not properly protect the occupant. These scenarios increase the risk of serious injury or death.

Remedy: Please call any authorized Acura dealer and make an appointment to have the driver frontal airbag inflator inspected and, if necessary, replaced with an inflator of a different design for free. For additional questions or to get help locating a dealer, owners may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138.

Have Questions? Consumers, please visit our Help Center at www.carfax.com. Dealers or Subscribers, please visit our Help Center at www.carfaxonline.com.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
